Milton Concert Band continues to pull out the stops for this year’s Soundsational free Concert Series (at the Victoria Park Gazebo. The group is pleased to welcome Mayor Gordon Krantz to address opening remarks to the audience of at their July 16th concert. During the show, MCB and Milton & District Pipes & Drums will perform separately and in a mass ensemble and Milton’s “The Original Halifax Donair and Pizza” will be out to sample their delicious donairs.

Entitled, “World Sensation” the performances will feature light classical pieces that have a strong nationalistic sensibility like, “Italian Festival” and from Norway, “Themes from Grieg”. However, the presence of the Pipers and Halifax Donair hint at the strong Celtic influence of much of the evening’s repertoire.

The July 16th date is part of the larger, Soundsational free Concert Series of 4 – one hour Thursday night performances. On July 2nd, despite the rain, a small but enthusiastic and appreciative crowd enjoyed the hits of Broadway and even sang along to “The Sound of Music”. The series continues this Thursday July 16th with “World Sensation” and wraps up on July 25th with “Swing under the Stars” featuring both the concert band and the smaller MCB Swing Ensemble. All performances start at 7:30pm and are free to the public. Audience members are reminded to bring a chair or blanket to enjoy the shows.

Since its inception in February 2007, the non-profit, community based Milton Concert Band has grown to include over 50 members. The band gratefully acknowledges the support of the Milton Community Fund, our partner in all public performances this year. MCB is also the proud recipients of an Ontario Trillium Foundation Grant, an agency of the government of Ontario.
